Dean Dorton named to Bob Scott's 2020 Top 100 VARS

ARTICLE 06.11.20 DEAN DORTON

Dean Dorton, a top Southeast CPA and business consulting firm, is excited to announce that it has been named to the Bob Scott's Top 100 VARs for 2020. The Top 100 resellers are chosen from organizations specializing in the sale and implementation of Enterprise Resource Planning (ERP) and accounting software.

"We want to congratulate this year's class of Bob Scott's Top 100 VARs," said Bob Scott, executive editor of ERP Global Insights (formerly known as Bob Scott's Insights). "This selection represents recognition of leaders in this important field."

Dean Dorton specializes in accounting and financial management technology, ensuring that clients, nationally and internationally, are equipped with the best-in-class tools for their business needs. From the evaluation stage to software selection, through the implementation process, the Dean Dorton ERP team helps guide finance leaders to a successful go-live date with state-of-the-art cloud accounting solutions.

Dean Dorton offers various accounting technology and reporting tools, ranging from Sage Intacct, Microsoft Business Central 365, Power BI, mConnect, to marketplace add-ons, and more. Each innovative software provides critical data visibility, strengthened organizational insight, and increased ROI for your finance and operational teams.

The selection of the Top 100 VARS is based on annual revenue generated by each reseller. A special report that includes names of the organizations selected for this year's Top 100 list, ranked by revenue, is downloadable at https://www.erpglobalinsights.com.

This report is made possible by the continued support and cooperation of our readers and by our sponsors: Acumatica, Avalara and Sage.

Philip Massey, Director of Software Consulting Services, Dean Dorton

> "It has been a great accomplishment to be named a top 100 VAR for the third consecutive year. I am proud of our ERP consultants, whose experience, expertise, and hard-work is the backbone of our success. We look forward to continuing to assist businesses in overcoming their financial management challenges by offering top-tier ERP technology that warrants success and advancement in the data-driven accounting era."
