

# Dean Dorton's mConnect and ConnectWise Enhance Integration to Streamline Financial Operations

ARTICLE 09.24.24 DEAN DORTON

Dean Dorton, a leading CPA firm and technology advisor, today announced a significant enhancement to its mConnect product, which seamlessly integrates Wise-Pay, ConnectWise's invoicing and payment solution, with leading accounting software platforms, Sage Intacct and Microsoft Dynamics 365 Business Central. This new integration, in partnership with ConnectWise, streamlines financial operations, reduces manual data entry, and provides businesses with greater visibility into their financial data.

mConnect, a Dean Dorton product, empowers businesses to automate the transfer of invoice and payment information between Wise-Pay and their accounting software. This eliminates the need for manual data entry, reducing the risk of errors and saving valuable time. By streamlining financial processes, businesses can focus on delivering exceptional IT services and driving growth.

We are thrilled to expand our partnership with Dean Dorton and mConnect (a ConnectWise Invent Certified Integration) to deliver even greater value to our mutual partners through these extended capabilities. This integration is a testament to our commitment in providing comprehensive solutions that help IT service providers thrive. Delivering an extension of payment functionality delivers even greater efficiencies businesses of all size need to survive – cashflow.

*Paul MacNeill, VP & GM – Payments, ConnectWise*

ConnectWise is a valued partner, and we are excited to enhance our mConnect product to deliver even more value to our joint customers. By connecting Wise-Pay data directly to the accounting system, we are helping businesses achieve greater efficiency, accuracy, and financial control.

*Philip Massey, CPA, Software Services Director at Dean Dorton*

## Key benefits of the integrated solution include:

- **Time savings:** Automates data entry and reconciliation processes.
- **Improved accuracy:** Reduces human error associated with manual data transfer.
- **Enhanced visibility:** Provides a comprehensive view of financial data across systems.
- **Streamlined operations:** Optimizes workflows and increases productivity.

This collaboration between Dean Dorton's mConnect and ConnectWise reinforces the companies' shared commitment to providing innovative solutions that address the evolving needs of IT service providers. For more information, please visit <https://mconnectcloud.com/wisepay>.
