ARTICLE 01.19.24 AUTUMN HINES

## Professional Experience

With over two decades of experience in public accounting, Meredith has been a trusted advisor to small and mid-sized businesses, their owners, family groups, and other individuals. Her expertise spans multiple industries, covering tax planning, compliance, and preparation, as well as accounting, financial reporting, tax strategies, and broader business consulting.

Beyond technical proficiency, she thrives on building meaningful client relationships, taking a personalized approach to uncover unique solutions and optimize opportunities tailored to each client's specific needs. Her dedication to providing strategic insights and customized solutions ensures that clients receive the guidance they need to navigate complex financial challenges with confidence.

She provides specialized tax services primarily for the real estate industry, assisting investors, developers, and professionals while co-leading Dean Dorton's Real Estate Industry Team. Her expertise extends to the construction sector, with a particular focus on home builders. In addition to these core industries, she works with service providers, professionals, wholesalers, and auto dealerships, offering strategic tax guidance and consulting.
