

M&A Trends & Tariff Impacts on Private Company Valuations

ARTICLE 04.04.25 NIKKI GILLAND

June 17 @ 7:10 am

What's Hot in the Lower-Middle Market Right Now?

Join us for an exclusive webinar designed to boost strategic edge while providing actionable insights that translate into smarter transactions and long-term value creation. This webinar will help you stay ahead of market trends impacting investments, gain insights to better position deals and advisory strategies, and give you insights into what matters most in today's lower-middle market.

In this webinar, our experts will discuss:

- – M&A Trends Shaping the Lower-Middle Market – What's driving deal activity, valuation shifts, and emerging opportunities?
- – Tariffs & Policy Updates – How recent trade and tax policies are influencing private company valuations and deal structures
- – Key Considerations for Buyers & Sellers – What stakeholders need to know to maximize value and mitigate risks

Featured speakers:

Keith Carlson and Josh Shilts
