Dynamics of Providing Healthcare Services in Underserved Areas

Join Dean Dorton's panel of experts to discuss the current landscape for federally qualified health centers providing services in underserved areas.

We'll discuss:

- Staffing challenges
- Financial constraints
 - Limited funding
 - Shift to service-based billing for care coordination
 - Insufficient Medicare and Medicaid reimbursements (MA issues)
 - Proposed changes to Medicaid

- Patient access and transportation
- Telehealth limitations and uncertainty
- Adapting to regulatory changes
- Addressing social determinants of health
- And more!

Panelists:

Dr. Jody Prather

President, HealthSource of Ohio

Dr. Anthony Yonts

Owner, Mountain After Hours Clinic and Quantum Health Care

Jeff Presser

Healthcare Consulting Associate Director, Dean Dorton
