Join us for an informative webinar exploring the implications of the newly passed One Big Beautiful Bill Act (OBBBA). As this sweeping legislation aims to simplify and reshape significant areas of the tax code, it’s critical for business leaders and owners to understand how these changes could impact tax and financial planning and strategy. Our team of experts will guide you through the key provisions of the bill, highlight areas of potential risk and opportunity, and share practical insights to help you prepare for what’s ahead.

In this webinar, we will cover:

- Key tax provisions within the OBBBA and what they mean in practice to you as a business leader or owner
- Potential impacts on deductions, credits, and entity structures
- Planning strategies to proactively address anticipated changes including provisions created in 2017 Tax Cuts and Jobs Act that were set to expire and now are extended or modified
- How the bill affects related personal financial planning impacts including provisions taking effect immediately or retroactively to the start of 2025
