

David Cooper, MBA

ARTICLE 04.21.26 GRACE ECKERLE

Professional Experience

David is a results-driven C-suite executive and MBA with extensive experience in financial leadership, operational transformation, and strategic growth. He has a strong track record of improving profitability, optimizing processes, and leading high-performing teams across manufacturing, automotive, and healthcare sectors. Formerly the owner of a fractional CFO firm, he advises startups and global companies on business strategy, funding, and expansion. Previously, as CFO and President of BWF America, he delivered record financial performance, improved cash flow, and strengthened company culture. Driven by an analytical ability to recognize and capitalize on business patterns, David provides the leadership necessary to view an organization holistically, identifying and attacking key areas for improvement to drive systemic growth.
