Budget-palooza: The Ultimate Sage Intacct Budgeting Showdown

Ready to leave spreadsheet chaos behind and take control of your budgeting process?

Join us for **Budget-palooza**, a fast-paced 50-minute webinar where we bring together some of the top budgeting and planning solutions in the **Sage Intacct** ecosystem—**Martus**, **Sage Intacct Planning (SIP)**, **Vena**, and **Jirav**—for a practical look at how modern finance teams are transforming planning, forecasting, and decision-making.

Today's finance leaders are under pressure to move faster, collaborate better, and deliver real-time insights—but many are still stuck in disconnected spreadsheets and manual processes. Modern budgeting solutions eliminate these pain points by centralizing data, improving accuracy, and enabling dynamic, scenario-driven planning.

In this session, we'll break down how each solution approaches budgeting and forecasting and how it integrates with Sage Intacct to create a more agile, data-driven finance function.

What you'll learn:

- How leading Sage Intacct users are replacing spreadsheets with cloud-based planning tools
- Key differences between **Martus**, **SIP**, **Vena**, and **Jirav**—and where each shines
- How modern budgeting solutions enable real-time collaboration, scenario modeling, and faster forecasting
- Ways to reduce manual effort and improve accuracy with a single source of financial truth
- Tips for selecting the right solution based on your organization's size, complexity, and goals

Why attend?

Modern planning tools help finance teams make faster, more informed decisions by combining budgeting, forecasting, reporting, and what-if modeling into a single, collaborative environment. Whether you're evaluating new solutions or optimizing your current Sage Intacct investment, this session will give you the clarity you need to move forward with confidence.

Who should attend: CFOs, Controllers, Finance Leaders, and anyone responsible for budgeting, planning, or financial strategy within a Sage Intacct environment.
