

Elizabeth Woodward Named Vice Chair of Blue Grass Airport Board

ARTICLE 01.25.18 DEAN DORTON

Elizabeth Woodward, Director of Forensic Accounting and Litigation Support, was recently named Vice Chair and Treasurer of the Blue Grass Airport Board of Directors. She has served on the board for three years, serving as the Finance/Audit Committee Chair and Treasurer during two of those years.

I enjoy the Blue Grass Airport board for several reasons: the management team at the airport is top tier, they know their industry, and they work tirelessly to continually improve the organization and serve the community. The Blue Grass Airport improves our standard of living and helps us attract business to Lexington.

Elizabeth Woodward, Director of Forensic Accounting and Litigation Support

[Blue Grass Airport](#) is located in Lexington, Kentucky and is served by four major airlines. The airport, which first opened in 1946, serves more than 1.3 million passengers annually.
