

MConnect Unites Sage Intacct and ConnectWise at IT Nation

ARTICLE 10.25.17 DEAN DORTON

Whether you just went paperless, or have been relying on the cloud for years to support your business, you understand that with multiple systems comes redundant re-keying. You also know that with every duplicate manual entry, your company faces a greater potential for human error to erode the accuracy of your most critical data.

As experts in accounting and the cloud, we understand the pains of duplicate work and how it can wreak havoc in your reports, client relations, and audits. In response to this common problem, the Massey team designed mConnect.

ABOUT mCONNECT

[The mConnect solution](#) unites two best-in-class cloud platforms, [ConnectWise](#) and [Sage Intacct](#), by creating a seamless pathway for behind-the-scenes automated integration. **With mConnect, data can travel back and forth between ConnectWise and Sage Intacct quickly and effortlessly, which means your company saves time, reduces frustration, conserves resources, and ensures accuracy.**

Some additional benefits of mConnect include:

- **Harness critical data** and transfer it with one click.
- Gather stock counts in **real time**, everywhere your team works.
- **Track invoicing quickly** and accurately, as soon as an order is placed.
- **Up-to-date** sales numbers anytime, anywhere.
- **Eliminate** running your own integrations. mConnect does it for you.

mConnect's customizable options allow for less manual entries and redundant filtering and synchronized or automatic data transfers. This means your team can do more, worry less and get the critical answers they need when they need them.

[At this year's IT Nation](#), happening **November 8-10 in Orlando, FL**, members from our team will be there to talk with other sponsors, presenters and attendees about mConnect's features that showcase and uplift the two best-in-class cloud solutions.

Get the most you can from your cloud solutions in a way that will uplift your teams and make the best use of their time.

Let's meet up at IT Nation, so we can show you everything that mConnect can do for you! Massey Consulting will be at **Booth 704**. Don't miss out on our wonderful prizes- we will be giving away goodies each day, including 2 Amazon Echoes on Wednesday and Thursday!
