

Budgeting Redefined: A Look at Budget Maestro

ARTICLE 01.10.18 DEAN DORTON

Transform how you budget, forecast, analyze, and report with the only platform that

delivers smart budgets for mainstream businesses.

Massey Consulting is not only a value-added reseller for Sage Intacct and Microsoft Dynamics GP, but provides efficient resources from our industry solution partners as well.

One of our notable partners is [Centage](#), who provides the industry solution, Budget Maestro. Budget Maestro serves more than 9,000 users worldwide, who vary in diverse industries such as education, healthcare, non-profit, retail, and more.

Budget Maestro is an easy-to-use, scalable, cloud-based budgeting and forecasting solution that eliminates the time-consuming and error-prone activities associated with using spreadsheets. The solution allows users to create and update budgets and forecasts quickly and accurately. It is the only solution that offers synchronized P&L, balance sheet and automatically generated cash flow reporting.

Recently, Massey Consulting participated in a Q & A with Centage for their Partner Spotlight Blog. Some of the things discussed were our industry focuses, notable clients, and what makes Massey Consulting different from other accounting software companies.

“As a team, we feel that Centage and the Budget Maestro solutions provide clients and prospects with an affordable, effective solution for their more intricate budget management and reporting needs. We have found our clients want dependable solutions that don’t break the bank, and that is where Budget Maestro fits,” says Philip Massey, President and CEO of Massey Consulting.

If you’re ready to welcome innovation with new budgeting solutions for you and your team, check out this [Quick Tour video](#) to learn more about Budget Maestro.
