

Massey Consulting Receives Gold Status as Avidxchange's Strategic Referral Partner

ARTICLE 01.16.18 DEAN DORTON

Raleigh, NC, January 18th, 2018– AvidXchange™, a leading provider of accounts payable and payment automation solutions, is pleased to announce that Massey Consulting has advanced to Gold status as a strategic Referral Partner. Gold Partners receive the program's premium benefits as the highest tier.

"We partnered with Phillip Massey and his team at Massey Consulting over a year ago, and it has been a fantastic relationship," explained Bob Lewis, VP of Strategic Channels & Alliances at AvidXchange. "We are both honored and thrilled that the Massey Team has achieved Gold status in the AvidXchange Partner Program by helping many of their Sage Intacct and Microsoft Dynamics GP clients automate their invoice and payment processes with AvidXchange. The Massey team architects' complete solutions and delivers top notch customer service for their clients. We look forward to many more happy mutual clients and productive years working together."

Over the past 12 months, the AvidXchange Partner Program has grown by more than 150%. This is an important designation for AvidXchange, with partners such as Massey Consulting being recognized and honored for their accomplishments in the field of midmarket financial software.

Philip Massey, President and CEO of Massey Consulting, added to the announcement by saying, *"It is a pleasure to elevate to this kind of status as a referral partner and we look forward to the continued success with Avidxchange. Offering our clients best-in-class solutions is of the utmost importance at Massey Consulting. We are thrilled to have the opportunity to offer such a high-quality solution that allows our clients to be on the leading-edge when it comes to AP and payment automation."*

If you are interested in learning more about AP automation, and what our partnership with AvidXchange means for you, download their recent eBook, ["Automate Before It's Too Late"](#). You'll learn how a cloud-based AP automation solution can improve audits, month-end and year-end closing, and the approval process by allowing AP professionals to approve invoices and payments anytime, anywhere!
