

Massey Consulting Hosts Sage Intacct Customers for Enlighten 2018

ARTICLE 11.28.18 DEAN DORTON

RALEIGH, NC, UNITED STATES, November 28, 2018 /[EINPresswire.com](https://www.einpresswire.com/)/ — Massey Consulting, a top accounting software provider in Raleigh, North Carolina, announced it will host Sage Intacct customers in the Triangle Region for its annual Sage Intacct user conference, Enlighten.

The educational conference is an all-day event in the Raleigh-Durham area on Tuesday, December 11th from 9 am-4 pm. It is held at the Archie K. Davis Conference Center at 12 Davis Dr, Research Triangle Park, NC 27709.

Enlighten allows both current Sage Intacct users and professionals interested in the best-of-breed financial management software to expand their knowledge of the accounting solution. Presentations will vary from 2019 product roadmap features, custom report writers, new modules, and top-notch customer resources.

Attendees will also have the special opportunity to hear from Massey Consulting's guest speaker at Enlighten, Linda Pinion. Pinion is Sage Intacct's Sales Engineer extraordinaire and will be sharing insights into what features and updates customers can expect in the new year regarding the software. Additionally, there will be a customer panel with Massey's own customers, who will be revealing their best practices and tips and tricks on utilizing Sage Intacct. These include the use of dashboards, dimensions, Sage Intacct Collaborate, Customer community, and more.

"We are excited to have the opportunity to host this event a second time, as it has proved extremely beneficial in the past to both our long-time and new customers," said Philip Massey, CPA and President of Massey Consulting. "Attendees will discover best practices and new insights into the Sage Intacct software that are critical in making sure their 2019 is a success for their finance teams."

Massey Consulting has been a Sage Intacct Premier Partner since 2013 and continues to grow and succeed as a VAR partner, having made its way into Sage Intacct's President's Club for four years since 2014.

Futhermore, attendees will have the opportunity to visit Massey Consulting's marketplace partners and learn about their premier solutions that integrate with Sage Intacct. This year's sponsors include Adaptive Insights, Avalara, AvidXchange, WorkForceGo! and VersaPay.

"Massey's Enlighten events are always very valuable as we continue to learn more about Sage Intacct," said Laura Arndt, a Massey customer and Controller at Riccobene Family Dentistry. "We aren't always able to make the larger Sage Intacct events, so it's very helpful that Massey brings some tips and updates back to us on a local level. Hearing the presentations from a few of the Sage Intacct partners also helps me think of new ways we can customize the system to work for us even better."

Attendees at Enlighten will qualify for CPE credit. The link to register is: <https://massey-consulting-enlighten-2018.eventbrite.com>

About Massey Consulting

Massey Consulting, located in Raleigh, NC, is a full-service consulting firm that specializes in various implementations and integrations of accounting software. Massey Consulting often integrates front-end operation management systems with back-end financial software, like cloud-based Sage Intacct or Microsoft Dynamics GP, to create a seamless business management tool. The Massey team is comprised of technology consultants that have experience as accountants, controllers, and information systems experts. Recognized as a Microsoft Gold Partner and Sage Intacct Premier Partner since 2013, Massey Consulting serves over 100 clients across the United States, Canada, and Australia.
