The matters discussed in these materials provide general information only. You should consult with an advisor about your specific situation before undertaking any action because each organization's situation is unique. Also, be especially aware that in this case, that is, with options available under the FFCRA and CARES Act, choosing a particular option could preclude you from other options. Furthermore, it is likely that additional guidance on the FFCRA and CARES Act will be issued by the appropriate governmental agencies, which could impact the information discussed in these materials. This information may not be construed as either accounting or legal advice.
