

Better Together

Two innovative organizations, one powerful solution

Dean Dorton provides an array of full-service technology solutions to businesses of all sizes—including software evaluation, selection, and systems integration.

Our partnership with Nexonia allows our customers to enjoy automated, integrated products such as timesheets, expense reports, and travel booking, so they have more time to focus on what matters.

DEANDORTON

KEY PARTNERSHIP BENEFITS

Commitment To Your Success

At Dean Dorton, we pride ourselves on being large enough to provide expert services, while still maintaining our core values of timely, personal service. We believe in using smart technology to help companies succeed today, and well into the future.

Our Partnership With Nexonia

Our partnership allows for total alignment between Nexonia and Dean Dorton so you're fully supported as you roll out your accounting package and go live with Nexonia.

Ease Of Use

Enjoy a fully automated T&E solution that was built for dynamic workforces. As employees submit expense reports from anywhere, administrators can automatically schedule, build, and approve timesheets and expense reports from any device.

Visibility Through Integration

Experience a seamless export of approved expense data directly into your ERP through one of Nexonia's unbeatable integrations. Now your team can have greater visibility into company spend—and make better budget choices as a result.

Customer Service

Nexonia offers full-service product implementations, specialized training resources, live support for all users, and dedicated account managers—a perfect complement for Dean Dorton's commitment to customer success.

BETTER TOGETHER

Two innovative platforms, one powerful solution
